FOREWORD

It is our pleasure once again to offer an interesting selection of numismatic material — coins that should appeal to every collector.

We would like to point out to new bidders, as well as to old, that an auction sale is not an approval sale. The items listed in this catalogue may be examined before bidding. There will be no returns accepted without our written permission.

The estimated prices serve only as a guide. In the past it has been a practice to bid quite a bit below estimates; because of the unprecedented demand for coins, these low bids hardly ever are successful. Competition is keen for good material. We suggest you bid with the purpose in mind of acquiring the coin.

We have one of the finest stocks of numismatic material in the country, including many rarities in copper, silver and gold.

Please send a want list with your bid sheet for our immediate attention.

Whether "BUYING" or "SELLING" it will be worth your while to contact us . . . .

Thanks,

ABNER KREISBERG
and
JERRY COHEN

2. All bids are to be by LOT as numbered in the catalogue. When identical bids are received, preference is given to earliest bidder.

4. Bidders must establish credit or have on deposit 25% of TOTAL bids.
5. TERMS of this sale are strictly cash. Remittances are due when bills are rendered and coins are received.

8. There will be no charge for executing bids but postage and insurance will be added and a handling charge for heavy lots and books.
9. Where estimates are given they represent either the owner's idea of value or our professional opinion as to what they should bring. IN ANY EVENT THEY ARE ONLY ESTIMATES AND YOU CAN BID HIGHER OR LOWER. We recommend however, if you want the lot, bid close to or over estimate.
10. All coins are genuine and as described.
11. Minor's bids will not be accepted!

FOREIGN CROWNS

With the exception of one Lot #2478 (Siberia which is a copper coin) all of the following items are struck in silver. Dollar size coins of the world have always been interesting display material and our estimates are approximately what the coins are selling for at present. They may, of course, bring higher prices. We suggest bids fairly close to our estimates if you need these coins. You are competing with roughly 3000 other clients and we'll try to buy as reasonably as possible for you.
